MANAGED UNIFORM SERVICES, MATS, TOWELS, MOPS, FACILITY SUPPLIES, & MORE

Welcome to Ace ImageWear!

Since our company was founded in 1932 by our grandfather, Ace Heilman, we've proudly established close relationships with some of the top manufacturing names in the country. Unlike many of our competitors, we choose to focus entirely on the service end of our business. Over the years, we've built an extended family of partnerships with vendors and customers alike.

The family approach to doing business has made us one of the top uniform providers in both the Midwest and Southeast Texas. We continue to expand our service offerings to include high quality products from top manufacturers in wearables, mats, restroom supplies and dispensers, towels, aprons, microfiber mops, and more.

At Ace, we promise to provide value and offer solutions to enhance your company's image—just like if you were part of the family.

Ace said it best almost 90 years ago...

**“Always do business on
a first-name basis.”**

— Ace Heilman, 1932

That's a promise you can count on, as well as the pledge we make to each and every new customer. You're never more than one phone call away from a Heilman.

We look forward to meeting you,

Ed, Bill, & Tom
The Heilman Family

DISPENSERS, PAPER, & TRASH BAGS

Ask your local representative for a full list of all available restroom products.

OUR STORY

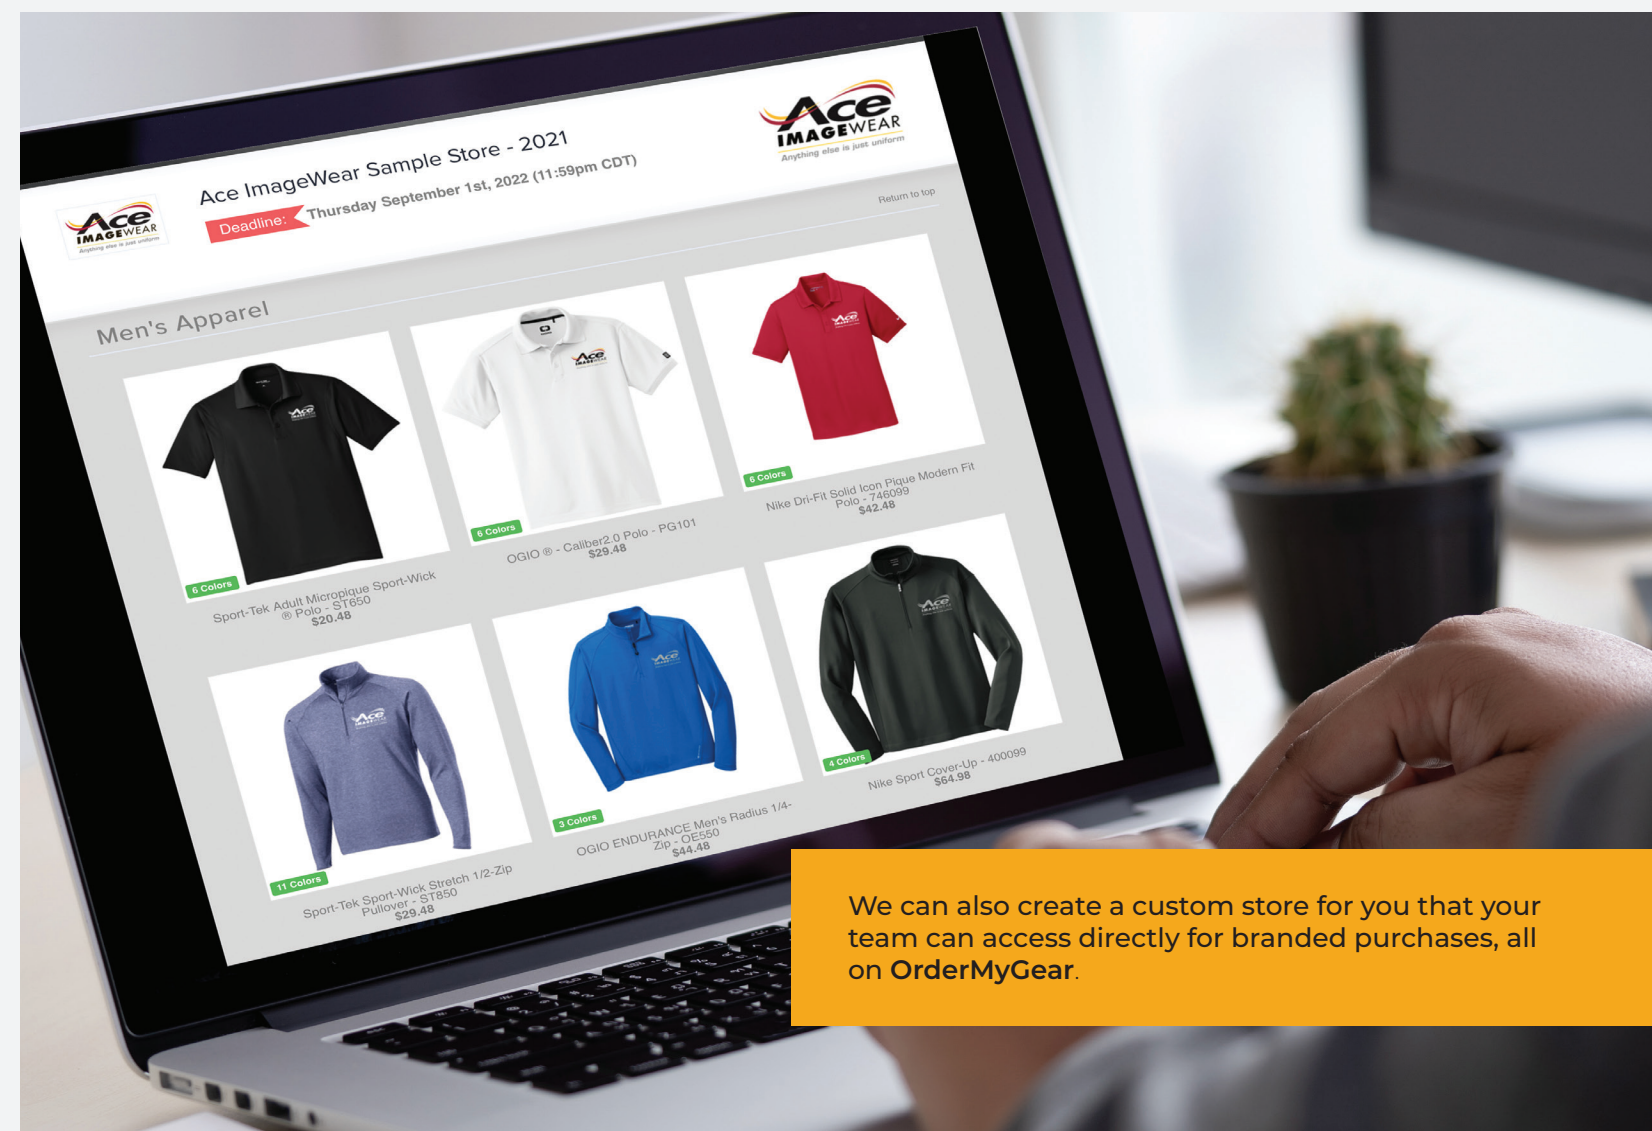

Ed "Ace" Heilman was a man ready to meet any challenge, face-to-face. During the heart of the Great Depression, Ace fought at area boxing clubs to help make ends meet for his family. When layoffs began, he started a linen supply business. A true Cinderella Man, Ace earned the respect of fans and customers alike with his hands-on approach to meeting his customers' needs.

Now the third generation of the Heilman family continues Ace's tradition. Technology may have changed, but our way of doing business is the same today as it was in the 1930s. It's personal and direct. It's done with an integrity earned through hard work. It offers a firm handshake and a no-nonsense attitude to servicing you the right way from the very beginning.

Ace ImageWear currently serves over 4,000 commercial customers from north of Kansas City, all the way to Houston. On any given day, we have more than half a million garments in circulation. As a regional and family-owned provider, we offer the selection and the systems you expect from a national company, with the peace of mind that comes from a local one. You're never more than one phone call away from a Heilman.

MORE THAN UNIFORMS

Ace ImageWear is here to help you promote your brand through all wearables, not just uniforms. Our team can review your branding and industry and help you select the right garments to help promote your business and enhance your image. From t-shirts to sport shirts, jackets to hats, and all with brands like Nike, The North Face, Ogio, and more, we'll incorporate your logo for a crisp, branded look.

We can also create a custom store for you that your team can access directly for branded purchases, all on **OrderMyGear**.
